Dear Governor Lynch:

I am pleased to inform you that the Administration on Aging (AoA) has approved the New Hampshire State Plan on Aging. The official Plan period is now FY 2012-2015 with a start date of October 1, 2011 and an end date of September 30, 2015.

We are especially pleased with the overall goal in the New Hampshire State Plan to establish a long-term care system that addresses and responds to every aspect of an individual's needs and desires and that supports choice and control.

AoA recognizes and applauds the efforts of your staff and partners in working together in the development of this State Plan and we look forward to working with you and your staff in the implementation of the New Hampshire State Plan on Aging.

Should you have any questions and/or concerns, please do not hesitate to contact us. Your dedication and commitment towards improving the lives of New Hampshire's older adults and caregivers is appreciated.

Sincerely,
